A QUARTERLY NEWSLETTER OF LAUNCH FEDERAL CREDIT UNION

TOGETHER, WE ARE #LaunchfcuSTRONG

As we end this 2nd quarter of 2020, it's amazing to look back and see what we have made it through. Since our last newsletter, we have experienced a global pandemic. We can confidently say that as a credit union, we were as prepared as we could have possibly been. Even though many of our employees have been working from home, our branches have remained open for

business by appointment, and our Digital Banking and drive-thrus have helped serve our members since day 1.

Our number one priority has been to keep communications coming out to our members, and to continue to do everything in our means to keep our members and employees

safe from COVID-19. We thank you for your patience as we continue to make changes and enhancements to our safety protocol. Stay informed by visiting our website at launchfcu.com.

Together, we are #LaunchfcuSTRONG.
