## Forgot Password Disclosure

Your password minimum length is 8 characters, must contain a number, a lower-case letter, and a non-alphanumeric character. Your password cannot be the same as any of the last 10 passwords. You agree not to give or make available your User ID or Password to any person. Sharing or failing to secure this information constitutes a misuse and therefore, all transactions initiated by those with whom you shared information will be considered as authorized by you, regardless of whether you intended those transactions to be made. Five failed log-in attempts may result in temporary account suspension.

By selecting "I Agree", you are agreeing that you are responsible for safeguarding and keeping your new password confidential and that you will not disclose or make your new password or other credentials available to any unauthorized individuals. You are further agreeing to be responsible for all actions taken by anyone to whom you provide such password or credentials or to whom you allow to use your mobile or online banking service.
