Shredding your sensitive documents including old bills and other items can help with identity fraud. Some items people may want to consider shredding include: credit card statements, old checks, ATM receipts, bank statements and anything a thief can use to steal your identity. Please remove any plastic bags, plastic materials such as CDs, and garbage prior to attending shred day.

This will be a drive-thru shred event. For safety reasons, everyone is asked to please remain in your vehicles and a Launch representative will come to your vehicle and pick up your boxes or bags from your truck or backseat.
